

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 19 January 1960

1. Talked with John Sipes, State Department, who asked about passport legislation questions at yesterday's hearing before Senate Foreign Relations Committee. I gave him the general picture and promised to give him more specific information if we were able to get a transcript.

2. Miss Elizabeth Peoples in the office of Senator Albert Gore (D., Tenn.) telephoned to inquire if as a result of General Cabell's letter to Senator Gore General Cabell could have lunch with Senator Gore tomorrow. I assured her we would let her know later today.

Arrangements were made firm for 12:30 in the Senators' Dining Room in the Capitol.

3. Harry Carter, USIA, telephoned mentioning that George Allen was to appear before the House Science and Astronautics Committee and asked for any help we could give them in this connection. Arrangements were made for a meeting with Carter on Thursday, the 21st, after the Agency has appeared before the House Science and Astronautics Committee.

4. Representative William G. Bray (R., Ind.) visited at the Agency for a luncheon meeting. Present from the Agency were: Robert Amery, Jr.,

25X1 [redacted] Bronson Tweedy, [redacted] and John S. Warner. 25X1
The Congressman gave us copies of his report of his travels in Africa and reported orally on some of his impressions. He seemed genuinely pleased with the opportunity to visit with us and discuss his trip and assured me it had been a worthwhile visit for him. We apologized that both Mr. Dulles and General Cabell were unable to be present at lunch and he accepted this in good grace.

5. Colonel Rederick in the office of Legislative Liaison, OSD, telephoned inquiring if the Director's statement before Senate Foreign Relations could be made available to the Air Force. I alerted him to our arrangement with General Twining's office specifically with Captain Gray wherein we had made available a copy of the Director's statement before the Defense Subcommittee of House Appropriations to General Twining on behalf of OSD and, therefore, suggested that he check with Pat Gray.

<p>Remarks: I brought the attached to the Director's attention yesterday and have sent him a copy. He remarked that Gates had said something to him about this.</p> <p>Regarding the briefing on the 29th, Mr. [] said the DCI had talked with General Hull. DCI will go up on the Hill at 10:00 and presumably they will break off around 12 for lunch at which time the DCI will have lunch with the Hull Committee until about 1:45. Then if he is to return to the Hill he will do so at 2:00; otherwise he will stay with the Hull Committee for the afternoon.</p> <p style="text-align: right;">JSWarner</p>
